Presenting the Nineteen Forty One Senior Class

TERMONT

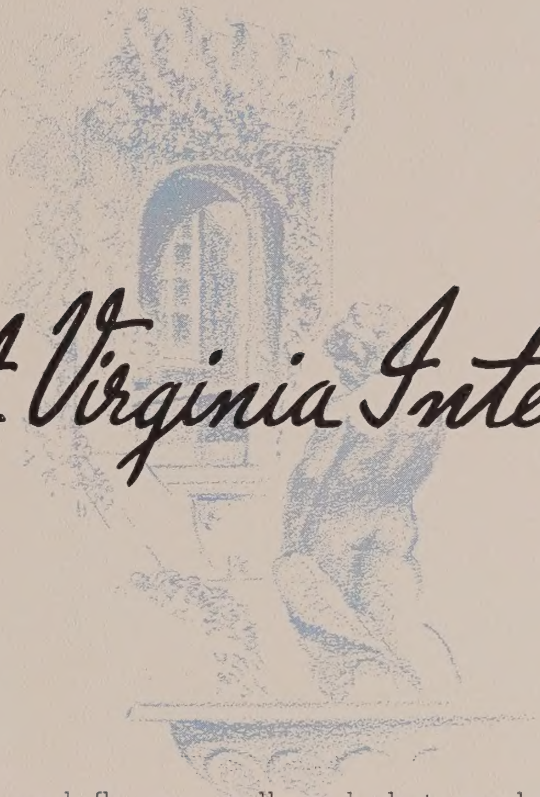
In Honor

The heart of an annual is its dedication. It links the affections of our Senior Class with the member of the faculty we have chosen as our never-failing inspiration, our patient guide, and our paramount. The Class of 1941 is as one in its dedication of the INTERMONT to Miss Marguerite Pflug, beloved Dean of Faculty. United by our common appreciation, we see in her the true spirit of Virginia Intermont. More than anyone else she has held its standards high; its policy has been shaped by her unerring insight.

The ever-smiling blueness of her eyes clearly pictures the droll wit and the wholly unselfish interest in girls that have made us love and admire her. At home on the roughest trail or in the most cultured drawing room, she is a true sportswoman and a gracefully brilliant person.

By this dedication, Miss Pflug, we say that you have made our two years at V. I. memorable.

"life at Virginia Intermont"



Scrapbooks, pressed flowers, yellowed photographs, all are gold in the sunny dust of memory. Highlighted are school days, laughing times, April tears, joyful rivalry. V.I. means this to us, and oh, so much more! Each page of this annual will bring a sharp twist to our hearts with our remembering the small, day-by-day thoughts and feelings that make life anywhere. Our Intermont hours are a glowing part of the youth we will want to relive and fondle as we grow into womanhood.

Carefree, we have raced down the hill when no one was looking, just because of the tingle a Virginia autumn puts into smiles and tastes and smells. Or we have sat on a crumple of red oak leaves, aching with longing for higher ideals and purer concepts. Laughing, we shook snow out of hair and eyelashes and watched little boys take a running jump for their sleds already eager to shoot down the slope. Or after Vespers we walked hand in hand with a girl we understood, looking at the cold, friendly sky and the crisp, metallic stars, and talking intimate things. When the grass timidly began to dress in its spring clothes, we delightedly explored every corner to discover hidden evidences of new life, new hope, new opportunity. Or we enjoyed stretching out full length on the young grass, warmed by the caressing sun and watching lazy clouds change places with each other.

Life at Virginia Intermont

Unconsciously, in each of these swift, sharp joys we were growing—broader, lovelier, more wholesome. Eager, deep friendships and small-shared sorrows were quietly molding us into closer likenesses of our ideal selves. Every little plan, every small dream, every insignificant hope drew us nearer to each other, in-

stilling in us the invaluable desire for friends, and the priceless need for companionship that enlarge and beautify a character.

VIRGINIA
INTERMONT

It wasn't grades or books—it couldn't have been; and it wasn't even basket-ball games or tennis tournaments—even though we were stimulated by the competition—that formed the precious, human essence of life at Intermont. No, it was loving and cheering and crying for someone else; it was laboring in unison for common goals; it was being helped and appreciated by another.

Now, this chapter of our youth is closing for us, to be reopened only in memory. During soft rains and quiet nights we will remember. Life at Intermont has been ours.

Jo's slow, Southern wit always comes in my lowest moods; and did you ever notice the self-styled way she has of wearing her clothes.

JANE STRUPPA
801 Ortega Avenue
CORAL GABLES, FLA.

Her pleasant conversation and interest in others account for Jane's many friends and makes her a wonderful roomie.

Johnson City, Tenn.

Anyone who has a love for good poetry will find a born companion in Helen. Thanks to North Carolina for my roommate.

HELEN SUTTON

Kinston, N. C.

From her tilted nose to her dancing feet, she is supercharged with more than her share of expressible gaiety, and pep.

BETTY SWIDENSKY
1303 N. Klein Ave.
Oklahoma City, Okla.

Reproduce such liveliness with boundless energy, warmth, or refreshing frankness Swy's individuality has no equal.

DOROTHY TATE
724 Moore Street
Bristol, Va.

Dotty is an unusual girl with her neatly braided red hair, a thoughtful attentiveness, and unsurpassed loyalty.

HELEN ST. JOHN THOMAS
Bluff City, Tenn.

Conscientiousness, a replete wardrobe, plus her rating at mid-winters and football games, classify her as "okay."

OTTOLENE THOMAS
Route 3
Bristol, Tenn.

Her "kingdom for a horse." With a basketball, racquet, or bat in Bob's grip, just watch the dust fly and onlookers rave.

When you give Milly something to do you can be sure it'll be done. Her will to work is proven by her skill as a pianist.

VIRGINIA TROAST

Because she is composed, demure, with a flawless blonde coloring—I would like to make Helen into a cameo.

Yalaha, Fla.

When gentleness, femininity, and domesticity are combined in one girl you have the marriageable maid of Senior Hall, Ellen.

STUDENT GOVERNMENT

Restrictions, rules, reprimands, are the terms connected with this group of students. Although some of us have suffered injured pride at their hands, we respect and admire them; for they have fulfilled their responsible positions faithfully throughout the year. Our hats go off to President Willcox and her able cabinet.

THE INTERMONT STAFF OF

The staff is indeed proud of this year's annual; for it is more than just a book. It is a tangible object which will be used in future years to help every Intermonter relive her college days.

The Intermont is a living thing which carries different meanings and ideas to each of its many owners. To some it will mean one thing—to some, another. But to all girls we hope it will be a possession to be prized and valued as a reminder of their days at Virginia Intermont.

PHI THETA KAPPA

This national honorary society for junior colleges was founded in 1910. The Nu Chapter of Virginia Intermont was chartered in 1927. The purpose of this society is not only to promote outstanding scholarship, but also to develop character and to cultivate fellowship among the students of both sexes of the junior colleges in the United States. To be eligible for entrance, one must have 14 hours of literary work and a minimum grade average of 90. Such a high standard as this organization requires is a true incentive and a means of recognition for excellent scholastic work.

THE CAULDRON

"The Cauldron" staff assisted by the journalism classes endeavors to bring to students of V. I. a close-up on the happenings in their school. An interesting, accurate account of the school news, the Smut Column, Personality Parade, club doings and such are what make our school paper so enjoyable. The staff has worked hard this year to make all '"dead-lines" and bring to the students news of everything.

"They that are wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars forever and ever." This is the theme of our Y. W. A. In co-operation with the other religious organizations, the Young Women's Auxiliary promotes Christian understanding and development among its members. President Lois Jean Bateman and her cabinet are to be congratulated for making this year's activity calendar as successful as last year's.

DEBATING

Their versatility and forcefulness helped win the sweepstake awards at the Dixie, Appalachian, and Smoky Mountain tournaments for our debaters. Successful representation at the Southern and National Debates and the national championship in Direct Clash were added to V. I.'s winnings. Dual debates with teams from ten states and a broad extension program completed a record year.

PHI RHO PI

An active and prominent fraternity, the Virginia Alpha Chapter of Virginia Intermont, is a representative chapter of the National Forensic Society for Junior Colleges.

Under the efficient coaching of Mr. Thomason, head of the speech department, the Intermont debate team has established a reputation to be proud of in forensic circles.

ORCHESTRA

The college orchestra was organized four years ago by Miss Claire Ordway, who is the present conductor. Each year has seen improvement in numbers, equipment, and the quality of performance. Last year the orchestra gave its first public concert and expects to present a second one this spring. Membership has increased to twenty-five this year.

GLEE CLUB

"We Can Make Such Beautiful Music" may truly be a theme for the Glee Club of Intermont. This year the voices are outstandingly beautiful and their work is finer than ever, because of the capable directing of Mrs. Schroetter.

This group of students have given the music lovers at V. I. many delightful hours.

"Music that gentler on the spirit lies
Than tired eyelids upon tired eyes."
—Tennyson.

"By music minds an equal temper know,
Nor swell too high, nor sink too low."
—Pope.

DAY STUDENTS

The day students are an essential part of the V. I. student body. Even though they are "off-campus" students, they are zestful participants in "on-campus" activities, always willing to give generously of their time and talents.

The purpose of this club is "To create a spirit of cooperation and better relationship between the day and boarding students."

HOME ECONOMICS

These girls are the ones who concoct the sources of those delicious odors which are wafted through Hodges Hall. Any young man who is planning to live on a budget, should get in touch with a member of this club, for you can be sure each girl knows how to run a house capably and efficiently after the able teaching of Miss Dora Miller.

B. S. U.

The Baptist Student Union has become the student leader for all other religious organizations on the campus. In the attractive B. S. U. room, representatives from various organizations meet to plan and discuss coming religious programs and to offer suggestions toward greater religious spirit and activity in the school. Besides sponsoring three big programs of its own, plus representatives at the B. S. U. convention in Farmville, it cooperates with the Y. W. A. and the Y. W. C. A., Day Student groups, and in the Sunday School and Church programs. The B. S. U. has gained for itself an undisputed position on the V. I. campus.

Athletics at VIRGINIA INTERMONT

LET'S PLAY

"A sport for every girl and every girl in a sport" is the goal for which the physical education department is striving. This year there were more girls participating in the athletic activities than ever before, and the interest in the intramural tournaments in all sports hits a new high.

If you like the team sports, you'll surely find a place on one of the hockey, basket-ball, volley-ball, or softball teams.

For the girl who likes the individual sports better, there's archery, badminton, shuffleboard, table tennis, riding, swimming, or tennis.

There are classes in beginning, intermediate and advanced swimming and diving. The Dolphin Club is composed of advanced swimmers to put on meets and do figure swimming. A class in Red Cross Life Saving is a very important part of this course.

One does not have to excel in athletics to enjoy the program of sports at V. I. A simple program of physical education is put into practice with accent on the fun involved in creating a healthy body.

HIGHLIGHTS IN . . .

Hockey Tournament—This tournament really started the season off with a bang. It was the first interdomitory competition held in this popular sport. Who won? Just ask any girl who lives in Main Hall. She'll tell you all about the winning team from Main.

Basket-ball Tournament—There were two tournaments in V. I.'s favorite sport. The Day Students team ran off with the honors in the dormitory competition and were presented with the intramural cup. This was followed by the class tournaments. And again, the Seniors won for the second year.

. . . OUR WORLD OF SPORTS

Swimming Highlights—Congratulations are due those girls who passed their Red Cross Life Saving course. We're proud of you. The swimming meets between teams of the Dolphin Club really did show us what good swimmers we have.

Horse Show—Held during graduation week, V. I.'s horse show was a fitting climax for the equitation departments.

Dance Recital—Girls who are interested in this phase of physical education found a keen enjoyment in the dance recital held during the early part of March whether they were participants or spectators.

Tennis Tournaments—The singles and doubles tennis tournaments were the big events of the spring sports season. The tennis trophies, a V. I. tradition, were presented to the winners at the graduation exercises.

Sportsmanship—A real highlight in our world of sports. To all the players and spectators—we wish to congratulate you on your interest and excellent sportsmanship.

Yankees, Southerners, Easterners, and Westerners—all united for the sole purpose of education—meet on the campus of Virginia Intermont. On this campus we learn what loyalty, friendliness, and cooperation mean in every section of the country. Here we are given a chance to meet girls from every state; we learn to respect the opinions of others and to be tolerant in our views.

To show that we are loyal to our respective states, we present the club formed from the North, East, South, and West.

V. I. RANCH CAMP

A CAMP THAT'S REALLY DIFFERENT

V. I. Ranch Camp is quite different from other Eastern camps. It is an exclusive Western type ranch camp for girls from six up, located on one of the few remaining large ranches (1,000 acres) in the East. Here in the high (2,000 feet) Appalachian Mountains near where Virginia, Tennessee, and North Carolina meet, V. I. Ranch Camp is located.

The enrollment is strictly limited to seventy-five carefully chosen girls. These have extraordinary training, excellent food, outstanding equipment, and individualized instruction by a staff of college experts. All the advantages of "a summer in the Rockies" without going West may be found right here in the cool Southern Appalachians.

There are three groups: Midgets, 6 to 10; Juniors, 11 to 14; and Seniors, over 14. Each group has interests, instruction, and activities particularly suited to its age and requirements. Because of strictly limited enrollment, early application is advisable.
